

Privacy Policy – Kiteseaon (iOS)

Last updated: 25. 3. 2026

This Privacy Policy explains how Kiteseaon (“the App”, “we”, “us”) collects, uses and protects your information. By using the App, you agree to the collection and use of information in accordance with this Privacy Policy.

1. Data controller The data controller (within the meaning of the GDPR) is: Jiri Sevcik E-mail: jiriseva@gmail.com If you have any questions about this Privacy Policy, you can contact us at the e-mail address above.

2. What data we collect We designed the App to collect only the minimum data necessary to provide its core features: displaying wind data, sending wind alerts, and providing kite size estimates.

2.1 Data you provide directly The App does not require you to create an account and does not ask for your name, e-mail address, or postal address. The main data you provide are:

- **Wind alert settings:** (e.g. wind speed thresholds, time windows, station selection, and units). These settings are stored locally on your device and on our backend (Cloudflare Worker / KV) so that we can periodically check wind conditions and send you push notifications. We do not use these settings to identify you as a specific individual.
- **Kite Size Calculator data (Weight and Board Size):** To provide you with personalized kite size recommendations, the App asks for your body weight and TwinTip board size. This information is stored strictly locally on your device. We do not transmit, collect, or store this physical data on our servers, nor do we share it with any third parties.

2.2 Data collected automatically When you use the App, we may automatically collect some technical information, such as:

- **Basic device information:** (device model, operating system version, language settings).
- **Anonymised identifiers:** Needed to deliver push notifications (Firebase Cloud Messaging token).
- **IP address and basic request metadata:** On the server side (through Cloudflare) for security, performance and debugging. We do not use this data to build a marketing profile of you, and we do not track your behaviour across other apps or websites.

3. Push notifications The App uses push notifications to inform you when your wind alert conditions are met. To send notifications, we store:

- A push notification token (provided by Firebase Cloud Messaging).
- Your alert configuration (conditions for sending the notification).

These data are primarily used to deliver the wind alerts you configured. Additionally, if you opt-in to receive push notifications, we may occasionally (e.g., 1-2 times per season) send you informational or promotional alerts regarding new Kiteseaon features, projects, or news. You can completely disable all push notifications at any time in your device settings.

4. Legal basis for processing (GDPR) If you are in the EU/EEA, we process your personal data on the following legal bases:

- **Performance of a contract (Art. 6(1)(b) GDPR):** To provide you with the core functionality of the App (displaying wind data, sending alerts you configure).
- **Legitimate interests (Art. 6(1)(f) GDPR):** For basic server logs, troubleshooting, and ensuring the security of our services.
- **Your consent (Art. 6(1)(a) GDPR):** For enabling push notifications (both wind alerts and occasional informational updates). You can withdraw your consent at any time by disabling notifications in device settings.

5. Third-party services

- **Firebase Cloud Messaging (Google):** To deliver push notifications.
- **Cloudflare:** To host and secure our backend infrastructure (Cloudflare Worker, KV storage).
- **Apple (App Store):** To manage app distribution. Apple acts as an independent controller; please refer to Apple's privacy policy for details.

6. In-app promotions and marketing The App may display banners or links promoting our own services (e.g., kitesurfing trips, courses, or our shop). As mentioned in Section 3, we may also occasionally send promotional push notifications related to our own services. These are simple promotions and are not third-party advertising networks. We do not share your personal data with third parties for their marketing purposes.

7. Your rights (EU / GDPR) You have the right to access, rectify, or erase your personal data, as well as the right to data portability and the right to object to processing. To exercise your rights, contact us at: jiriseva@gmail.com.

Terms of Use – Kiteseaon

Last updated: 25. 3. 2026

By downloading, installing or using Kiteseaon (“the App”), you agree to be bound by these Terms of Use.

1. Use of the App The App is provided for informational and recreational purposes, primarily to display wind data and send wind alerts. You agree to use the App only in accordance with applicable laws.

2. No guarantee of accuracy and safety
2.1. While we strive to provide useful information, we do not guarantee the accuracy, completeness, or timeliness of any data displayed in the App, including wind data retrieved from weather stations, which may occasionally be inaccurate, delayed, or offline. **2.2.** Weather and wind conditions can change rapidly and unpredictably. Any kite size recommendations provided by the App (based on the weight and board size you input) are strictly rough, theoretical estimates. The App cannot assess your personal kiting level, current physical condition, or the specific local topography. **2.3.** You must always adapt your equipment choice to your actual skills, current gusts, and real-time

water conditions. You should always verify weather conditions using your own visual judgement and common sense before launching a kite. **2.4.** You use the App entirely at your own risk. To the maximum extent permitted by law, we are not responsible or liable for any personal injury, death, equipment damage, or any other loss that may occur as a result of using, or relying on any information or recommendations (including kite size calculations) provided by the App.

3. Intellectual property The App, including its design, code, graphics, and logos, is protected by intellectual property laws. You are granted a personal, non-exclusive license to use the App on your device.

4. Limitation of liability To the maximum extent permitted by law, we are not liable for any damages or personal injury arising out of or in connection with your use of the App.

5. Governing law These Terms are governed by the laws of the Czech Republic.

6. Contact If you have any questions, please contact us at: jiriseva@gmail.com.
